

UNITED STATES DISTRICT COURT FOR  
THE SOUTHERN DISTRICT OF FLORIDA  
CASE NO. 03-CR-20774-MORENO

UNITED STATES OF AMERICA

vs.

GILBERTO RODRIGUEZ-OREJUELA

---

**SUPPLEMENTAL AUTHORITY IN SUPPORT OF COMPASSIONATE RELEASE**

Every day the COVID-19 situation gets much worse in our federal prisons. The virus is spreading like wildfire, especially in the prisons. Guards and prisoners are contracting the disease, and prisoners are dying. For this reason, judges around the country are releasing inmates on a daily basis under the First Step Act. If we filed a supplemental authority notice every time that happened, we would be filing multiple pleadings a day, so we will not do that. However, we do think it is worth noting here that the Attorney General is urging that at-risk and vulnerable inmates, like Gilberto Rodriguez-Orejuela, be released. *See* attached memorandum, dated April 3.

Respectfully submitted,
